Preventive Care Bonuses for Fiscal Year 2023

**Don't forget to bill your fiscal year 2023
preventive care bonuses for
breast, cervical and colorectal cancer screening**

- All preventive care bonuses for the fiscal year 2023 (April 1, 2023 to March 31, 2024) can be billed beginning April 1, 2024.
- This must be billed with a service date of March 31, 2024.
- Eligible physicians can bill all five bonuses for their fiscal year 2023 calculations.
- Please submit these claims before June 18 to make sure they are processed, as they are subject to the new three-month stale-dating rule.
