

Cancer Screening Tip of the Month – July 2024

Toronto Central Regional Cancer Program, Cancer Screening eBulletin

Important Upcoming Changes to Cancer Screening

**STAY TUNED:
Exciting changes are coming to
cancer screening!**

There are exciting changes ahead for cancer screening over the next several months. Future plans for the cancer screening programs include:

Cancer Screening Changes	Tentative Timeline
Expansion of the Ontario Breast Screening Program (OBSP) to include people ages 40-49	Fall 2024
Implementation of HPV testing as the primary cervical cancer screening modality in Ontario	Spring 2025
Expansion of the Ontario Lung Screening Program (OLSP) to additional hospitals	Starting spring 2025

Upcoming Cancer Screening Tip of the Month eBulletins will highlight:

- Timelines for the cancer screening changes
- Important updates, resources and tools for your practice
- How to access information
- Resources for patients
